Dear Parents,

We have had confirmed cases of head lice reported this week by families whose children attend our school.

It is very important that every family continues to check daily for one week, then weekly for four weeks so that re-infestation can be prevented.

For information about head lice check out one of the following websites provided by the Public Health Nurse:

[http://gov.mb.ca/health/publichealth/cdc/protocol/headlice/;](http://gov.mb.ca/health/publichealth/cdc/protocol/headlice/)

If you have any further questions or concerns, please contact your local health care provider.

Sincerely,

Terri Hill
