

September 9, 2015

Dear staff, students, parents and school community,

Prairie Spirit School Division is made up of 29 unique school communities. As a result of the small size of our schools and the geographical distance between them, PSSD models a practice of collaboration at all levels. We are conducting a search for a new principal at TGMS and are looking for input from all groups.

As part of the search, we are asking members of each school community to complete this [form](#). Paper copies of the forms are also available at each school office.

The results of these surveys will be shared with the interview team and the incoming principal. The interview team for principals is made up of the superintendent, secretary treasurer and at least one other member of the senior administration.

The form can also be accessed by using the QR code below or by keying in the address shown. The address is case sensitive.

Thank-you in advance for taking the time to share your thoughts.

K.Murray
Superintendent
Prairie Spirit School Division
