October 3, 2014

Dear Parents of Crystal City Early Years and TGMS and Pilot Mound School,

I am once again going to be collecting gently used winter coats and ski pants for the Coats for Kids Drive in our local areas and in Winnipeg. I am hoping you will be interested in donating these items your children have now outgrown, so that others can benefit from their continued use.

Items can be dropped off in Winnipeg at Perth's or any fire station. However, to have this easier for our area, I will be looking after gathering the clothing and making sure they are delivered to our local drop-off at the Morden Fire Department. All the parents would need to do would be to gather up their good used winter coats/ski pants and send them or drop them off at the CCEY/TGMS schools.

Please try to have these items to the schools by **Thursday, October 23rd, 2014**. If this is not possible, please call me at 873-2478 to make a later arrangement. Your efforts would be greatly appreciated.

Thank you for helping to keep others warm this winter!

Sincerely,

Kathy Avery
